Subject: Section 24C for Actigard 50WG on Spinach

Information courtesy of Thomas Kaczoroski, Emergency Exemption Coordinator for the New Jersey Pesticide Control Program:

NJDEP has granted a **special local need registration** under **Section 24C** of FIFRA to Syngenta Crop Protection Inc for **Actigard 50WG for the control of downy mildew and white rust in spinach.** The product registration number is 100-922, while the special local need number for this use is NJ-020002 for distribution and use only within the state of New Jersey.

The conditions and exemptions specifically listedon the product container label as well as the special local need label must be followed. Special Local Need Label must be in possession of the user at the time of application. Please email or call with your fax number if you wish a copy of the Special Local Need Label be faxed to you.
