Subject: Comment Period Extended on EPA Tier 1 Endocrine Disruptor Choice Approach

Adapted from EPA Pesticide Program Update posted by EPA's Office of Pesticide Programs 03/03/03

Action: EPA EXTENDS THE PUBLIC COMMENT PERIOD ON THE PROPOSED CHEMICAL SELECTION APPROACH FOR INITIAL ROUND OF SCREENING FOR ENDOCRINE DISRUPTION

EPA is extending the public comment period on the approach EPA intends to use for selecting the first group of chemicals to undergo Tier 1 screening under the Agency's Endocrine Disruptor Screening Program (EDSP) to April 1, 2003.
See our listserv posting of the original announcement @ http://www.pestmanagement.rutgers.edu/NJinPAS/postings/endocrindisplan.pdf.

More information on the proposed chemical selection approach is available in a Fact Sheet entitled "Endocrine Disruptor Screening Program (EDSP): Proposed Chemical Selection Approach for the Initial Round of Screening." This fact sheet is available at http://www.epa.gov/scipoly/oscpendo/factsheet.htm
