Subject: NJinPAS Listservs Postings Webpage

We have added a page to the NJinPAS website that chronologically lists all postings made to any of the NJinPAS open enrollment listservs. <http://www.pestmanagement.rutgers.edu/NJinPAS/listservpostings.htm>. Now that the page is up and running, I should be able to add postings as they are made. We will subsequently add a search function to this page so that you can search by date, topic, or listserv.

If you would like to receive the topic-specific postings such as Section 24C's, Section 18's or Crisis Exemptions, you should enroll in the individual listservs (these types of specific postings are not made to NJinPAS Network to minimize mass mailings). We encourage you to take advantage of this, and pass it on to your fellow stakeholders. Enrollment to the eight open enrollment listservs can be easily completed online @ <http://www.pestmanagement.rutgers.edu/NJinPAS/listservs.htm>.

Thank you.
